

2010 EXHIBITOR REGISTRATION INFORMATION

AFA EXHIBITORS

The Alabama Forestry Association invites you to be an exhibitor at its upcoming 2010 Annual Meeting as we celebrate over 60 years as the *Voice of Forestry in Alabama*. This year's event will once again be held at Perdido Beach Resort in Orange Beach, Alabama and will run from Sunday, Sept. 12, until noon on Tuesday, Sept. 14.

If you have not been with us at previous meetings, we hope you will consider making it a priority and join us this year. This is the largest single gathering of Alabama's billion-dollar forest industry, and an excellent opportunity for you to interact with hundreds of potential customers in a relaxed fun filled informative setting.

This year we are expecting a larger than normal attendance as we have added several new segments. There will be a focus on the November General Elections with most of the 2010 state-wide candidates attending...plus...we have also extended the program session to include Saturday and Sunday continuing education classes and will offer insight on the effect of the oil spill on our ecosystem.

All exhibits will be located on the ground floor in Exhibition Hall where both Sunday and Monday night receptions will be held. The Annual Tree Farm Silent Auction will also take place in this area. Each exhibitor will have their company and all contact information listed in the convention program that will be given to each attendee. Exhibitors will also be recognized at the Monday night dinner and Tuesday morning breakfast.

Exhibit space includes a 8' x 10' piped and draped booth, a skirted 6' table, two chairs and electricity. If internet access is needed, there is an additional charge. Spaces **are assigned** on first available as this event is generally sold out at an early date. To guarantee your booth space, send your exhibitor registration form with full payment to my attention at the address below.

Once again, we are asking each exhibitor to donate a *door prize drawing* from your booth. The drawings will be held at the Tuesday morning breakfast. At this time you will be called on to draw from those who visited and registered at **YOUR** booth. Hopefully, this will give you even more exposure than you have enjoyed in previous years. LAST YEAR'S drawings were very successful and generated interest with attendees and exhibitors.

I hope you will mark your calendars, fill out the enclosed registration form and plan to be a part of the 2010 AFA Annual Meeting in Perdido Beach. **WE NEED YOU** to make our meeting a success by adding to the over all excitement, fun and fellowship of the state's largest forestry meeting. If additional information is needed, please contact me at fwhitaker@alaforestry.org or by phone at (334) 481-2127.
